## COVER PROPERTIES

Panda is an incredible velour material with remarkable properties:

- Bouclé-like structure
- Soft and velvety surface
- Very easy to clean (washable)
- Suitable for daily use
- Stylish multicolour designs
- Durable
- A luxurious look

Discolouring due to cushions and/or clothing fabrics does not represent a defect of the upholstery fabric. Colour and texture deviations are typical for this product and do not entitle users to any claims. Interaction of pressure, heat and/or humidity may lead to pile displacement (pressure marks). This property is referred to as indentation or seating marks and is a typical feature that does not represent minor quality in any way.
